

## BOYS CLUB Newsletter

### Term 1 Highlights...

Boys club is a place for boys to be boys, have fun, learn new things and make new friends, all of this while making memories. Boys club is run by a fun enthusiastic group of volunteers who run activities for the boys to get out and about and explore with their friends and have a blast. 2018 started off with a range of activities such as, a visit to Margaret Mahy park, swimming, tape challenge, water games, photo challenge van rally, made paper planes and flew them off the top of the playground. These are only a few fun activities that we do at boys club so come on down on Thursdays throughout the term to the Boys club at Youth Alive Trust.
