Term 2 Highlights...

Last term the boys had fun playing Nerf Wars, having a Hut building challenge. We made paper planes and flew them off the top of the playground, We got mucky and made slime/putty. We visited Flip Out indoor trampoline. These times get the boys out into nature and around New Brighton and explore with their friends and have a blast.

These are only a few fun activities that we do at boys club so come on down Thursdays throughout the term to the Boys club at Youth Alive
