

Grace Vineyard Beach Campus

Community Programmes Term Three 2015

In 1991, we bought an old supermarket in downtown New Brighton, and began to use it as a Church and Community Centre. It has been used by tens of thousands of people ever since, and on Friday 19th June, after years of planning and fundraising, Stage 1 of our new building development was officially opened! Work includes earthquake strengthening, a new foyer, sports gym, youth lounge, and ongoing work involves a crèche, outdoor play, music room, offices, toilets, kitchen and meeting rooms. We partner with many agencies and new programmes are starting all the time (see the back of this sheet). Feel free to pop in anytime, have a look around and learn more about ways we're serving this community. Maybe there's a programme that would suit you???
