## Holiday Activities Report

We had a steady flow of young people coming to attend our activities these holidays. The little kids really enjoyed the Veggie Creations, Crayon Art, Lollipop Creatures

and Cookie Decorating as it was easy to do and got a great result at the end. As usual, there were a few parents who chipped in to help out, which was really appreciated due to the high numbers some days and had some teenagers come and join in as well. Had a great time getting know these guys!

Jewellery Making is always a hit and I really could have done with another leader as we had 36 young people all busy creating precious little mementos that day! Cheapskates are a definite seller for the young people and while the day started off slowly, numbers increased by the afternoon. It was an awesome day! We had one rainy day and had to cancel the dance lesson day, which was disappointing for some, but we rustled up some board games and had some sport activities outside. All in all it was another successful Holiday Programme at the Library!
