PO Box 10379

Christchurch 8145

The Trustees are responsible for:

- a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service activity;
- b) the preparation and fair presentation of the Performance Report on behalf of the entity which comprises
- the entity information and statement of service performance.
- the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the Performance Report in accordance with Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) standards issued by the New Zealand Accounting Standards Board.
- c) Such internal controls as the Trustees determine is necessary to enable the preparation of the Performance Report that is free from material misstatement, whether due to fraud or error.

d) In preparing the Performance Report, the Trustees are responsible on behalf of Youth Alive Trust for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate or to cease operations, or have no realistic alternative but to do so.

## Auditor Responsibilities for the Audit of the Performance Report

Our objectives are to obtain reasonable assurance about whether the Performance Report is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Performance Report.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Performance Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Trustees and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Youth Alive Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Performance Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Youth Alive Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Performance Report, including the disclosures, and whether the Performance Report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

After the Christchurch earthquakes damaged their buildings beyond repair, they made the difficult decision to close their trust and pass on all their assets to Youth Alive Trust, as the most like-minded charity their trustees could find. The investment is managed by Forsyth Barr, and Youth Alive Trust only draws on earnings from the investment for operational costs and specifically to support trainee youth workers and volunteers.
