# How these boxes create additional impact

1

## Conscious Products

Environmental sustainability is important to us so we've made sure that 99.9% of the items in this box are compostable, recyclable or reusable.

2

## Social Impact

This gift box supports a variety of local businesses, social enterprises and Upstream approved suppliers.

3

## Sustainable Support

The profit from each box goes to Upstream which exists to support charities to strengthen the well-being of children and young people in New Zealand.
