STAFF

SHELLY

Hi, I'm Shelly! I've been the coordinator at Oscar for the past 7 years, and it's been an incredibly rewarding journey. I'm a proud parent of three wonderful children, and working with young people has always been a true passion of mine. Being part of YAT has been such a joy, I love creating a safe, supportive space where children feel valued and can thrive. I'm really looking forward to connecting with everyone and continuing to build a positive, vibrant community together!

HENRY

Hi, I'm Henry and I've been around at Y.A.T. for a while and have been an employee here for the last 4½ years. I enjoy my work: helping the young people who come along enjoy themselves. I am passionate about board games, reading and this really cool thing called Freeskating (you should check it out)!

HOW OUR PROGRAMME RUNS

Our Programme is designed around a **Rest.Play.Grow** approach. This gives young people the space they need to unwind, explore, and thrive after school.

Each afternoon includes

- **Rest Zones** – quiet, cosy spaces for reading, drawing, unwinding and feeling safe.
- **Creative Play Zones** – building, crafting, imaginative play, sensory materials.
- **Active Play Zones** – outdoor sports, gym games, and movement.
- **STEM & Discovery** – construction, challenges, puzzles, science and problem solving.
- **Daily Optional Activity** – one group activity each day for those who want to join in.
- **Flexible Flow** – children choose the zones they need most, at their pace.

Young people can choose to get involved in YAT's weekly clubs, all held in the same building. These clubs offer extra opportunities for belonging, confidence building and trying new activities that match their interests. If a young person decides to attend a club, our team supports a smooth, supported transition straight from OSCAR into their session.
