

Health & Medical Conditions

If a youth has a condition that requires medication, this will need to be detailed on the enrolment form and a separate Medicine Consent Form (available from the office). Medication will only be administered if the consent form has been completed. Parents will need to check this form with the Programme Supervisor to make sure dosages will be administered correctly.

Cancellations

The Youth Alive Trust reserves the right to cancel any programmes where insufficient enrolments are received. Activities within the camp are subject to change

Disabilities

The Youth Alive Trust seeks to meet the needs of people with disabilities as per our Programme Policy and Procedures.

Supervision and Safety

This programme is delivered by the Youth Alive Trust. Our supervisors and leaders have been specifically trained in health and safety, behaviour management and skills. There is always at least one first aid trained staff member present.

Behaviour Management

Parents need to be aware that because safety is our first consideration our policy needs to be strictly adhered to. Parents will be notified if their youth are causing a disruption on the camp. Where serious harm may happen or occurs, or the youth are causing a disruption to the camp, the right to remove the youth immediately from the camp is reserved. If the youth is found to have any illness/behavioural condition that has not been included on the registration form, we reserve the right to remove the young person from the camp.

Sickness

Out of consideration for other participants, please do not send unwell youth to Camp.

Camps bring the most amazing memories that often last a lifetime. We're really trying to keep the cost of camp to a minimum so it's not a barrier to anyone attending, but please chat to us if it's still too much. It is estimated that the actual cost per attendee is \$280 without funding, but with some fundraising we've reduced it to just \$100 each.

- **\$100 for Camp** - to be paid by 25th May
- A deposit needs to be paid to secure a spot (\$20 NON REFUNDABLE)
- If you're able & keen, a further donation will support those who can't afford the full fee.
