COMMUNITY PROGRAMMES

TERM 3 2015

In 1991, we bought an old supermarket in downtown New Brighton, and began to use it as a Church and Community Centre. It has been used by tens of thousands of people ever since, and on Friday 19th June, after years of planning and fundraising, Stage 1 of our new building development was officially opened! Work includes earthquake strengthening, a new foyer, sports gym, youth lounge, crèche, music room, offices, toilets, kitchen and meeting rooms. Key agencies include Youth Alive Trust who run many activities for young people and Compassion Trust who offers a free budgeting advice service for any local! We're also excited to announce a number of NEW Programmes highlighted in this flyer. Feel free to pop in anytime, have a look around and learn more about ways we're serving this community. Maybe there's a program that would suit you??!
